

.65 MIL 1-Gallon Custom Bucket Program

The custom bucket program is based on a standard .65 mil 1-gallon bucket with up to 4 printed colors. The custom bucket program is a way for Leaktite's customers to create a unique bucket design that meets their business needs.

Custom 1GL Bucket Representation

Custom Printing

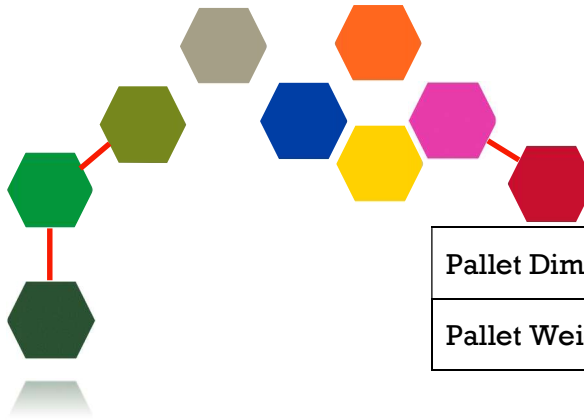

This option allows the customer to print, with primary ink colors, on 360 degrees of the bucket. Leaktite can print up to 4 colors on all quoted buckets.

- Print area for 1-Gallon Bucket is 4 ¼" x 20"
- Specialty Ink Colors (Non-Primary) may require special pricing.

Printing Plate Setup

There is a one-time charge per print color:

- 1 Gallon: \$200 per printed color up to 4 colors.
- Example: Blue and Red = \$400

**NOTE: Colors represented may appear different on bucket*

Specialty Buckets

Custom Bucket Colors

Leaktite's customers have the option to manufacture 1-gallon buckets in custom colors for an upcharge. All requested colors will require a specific PMS color or an object representing the desired color, sent to Leaktite, for part matching and pricing.
