

.70 MIL 5 Gallon-Custom Bucket Program

The custom bucket program is based on a standard .70 mil 5-gallon bucket in with up to 4 printed colors. The custom bucket program is a way for Leaktite's customers to create a unique bucket design that meets their business needs.

Custom 5GL Bucket Representation

Custom Printing

This option allows the customer to print, with primary ink colors, on 360 degrees of the bucket. Leaktite can print up to 4 colors on all quoted buckets. The available print areas are:

- Print area: 5 Gallon Bucket- 8.5"x 31"
- All 5-gallon buckets require a child warning label.
- Specialty Ink Colors (Non-Primary) may require special pricing.

Printing Plate Setup

There is a one-time charge per print color

- 5 Gallon-\$350-per printed color up to 4 colors.
- Example: Blue and Red = \$700
